Student Resource Scheme

In addition to the above items for personal use, parents are reminded that they need to either join the school's Student Resource Scheme, or provide individually labelled items, such as art/craft supplies, science resources, additional photocopying and chart paper, and technology items such as individual student log ins for our online programs. Participation in the SRS includes these resources. Students need to be up to date with their SRS, or provide individual resources, to engage in extra-curricular activities.

The Student Resource Scheme is \$80 for the 2024 school year, and is paid directly through the School Office. Pay before February 16 to receive a \$5 discount.
